

The potential of international Landcare

Dr Mary Johnson (RMIT) & Clinton Muller (RMCG)

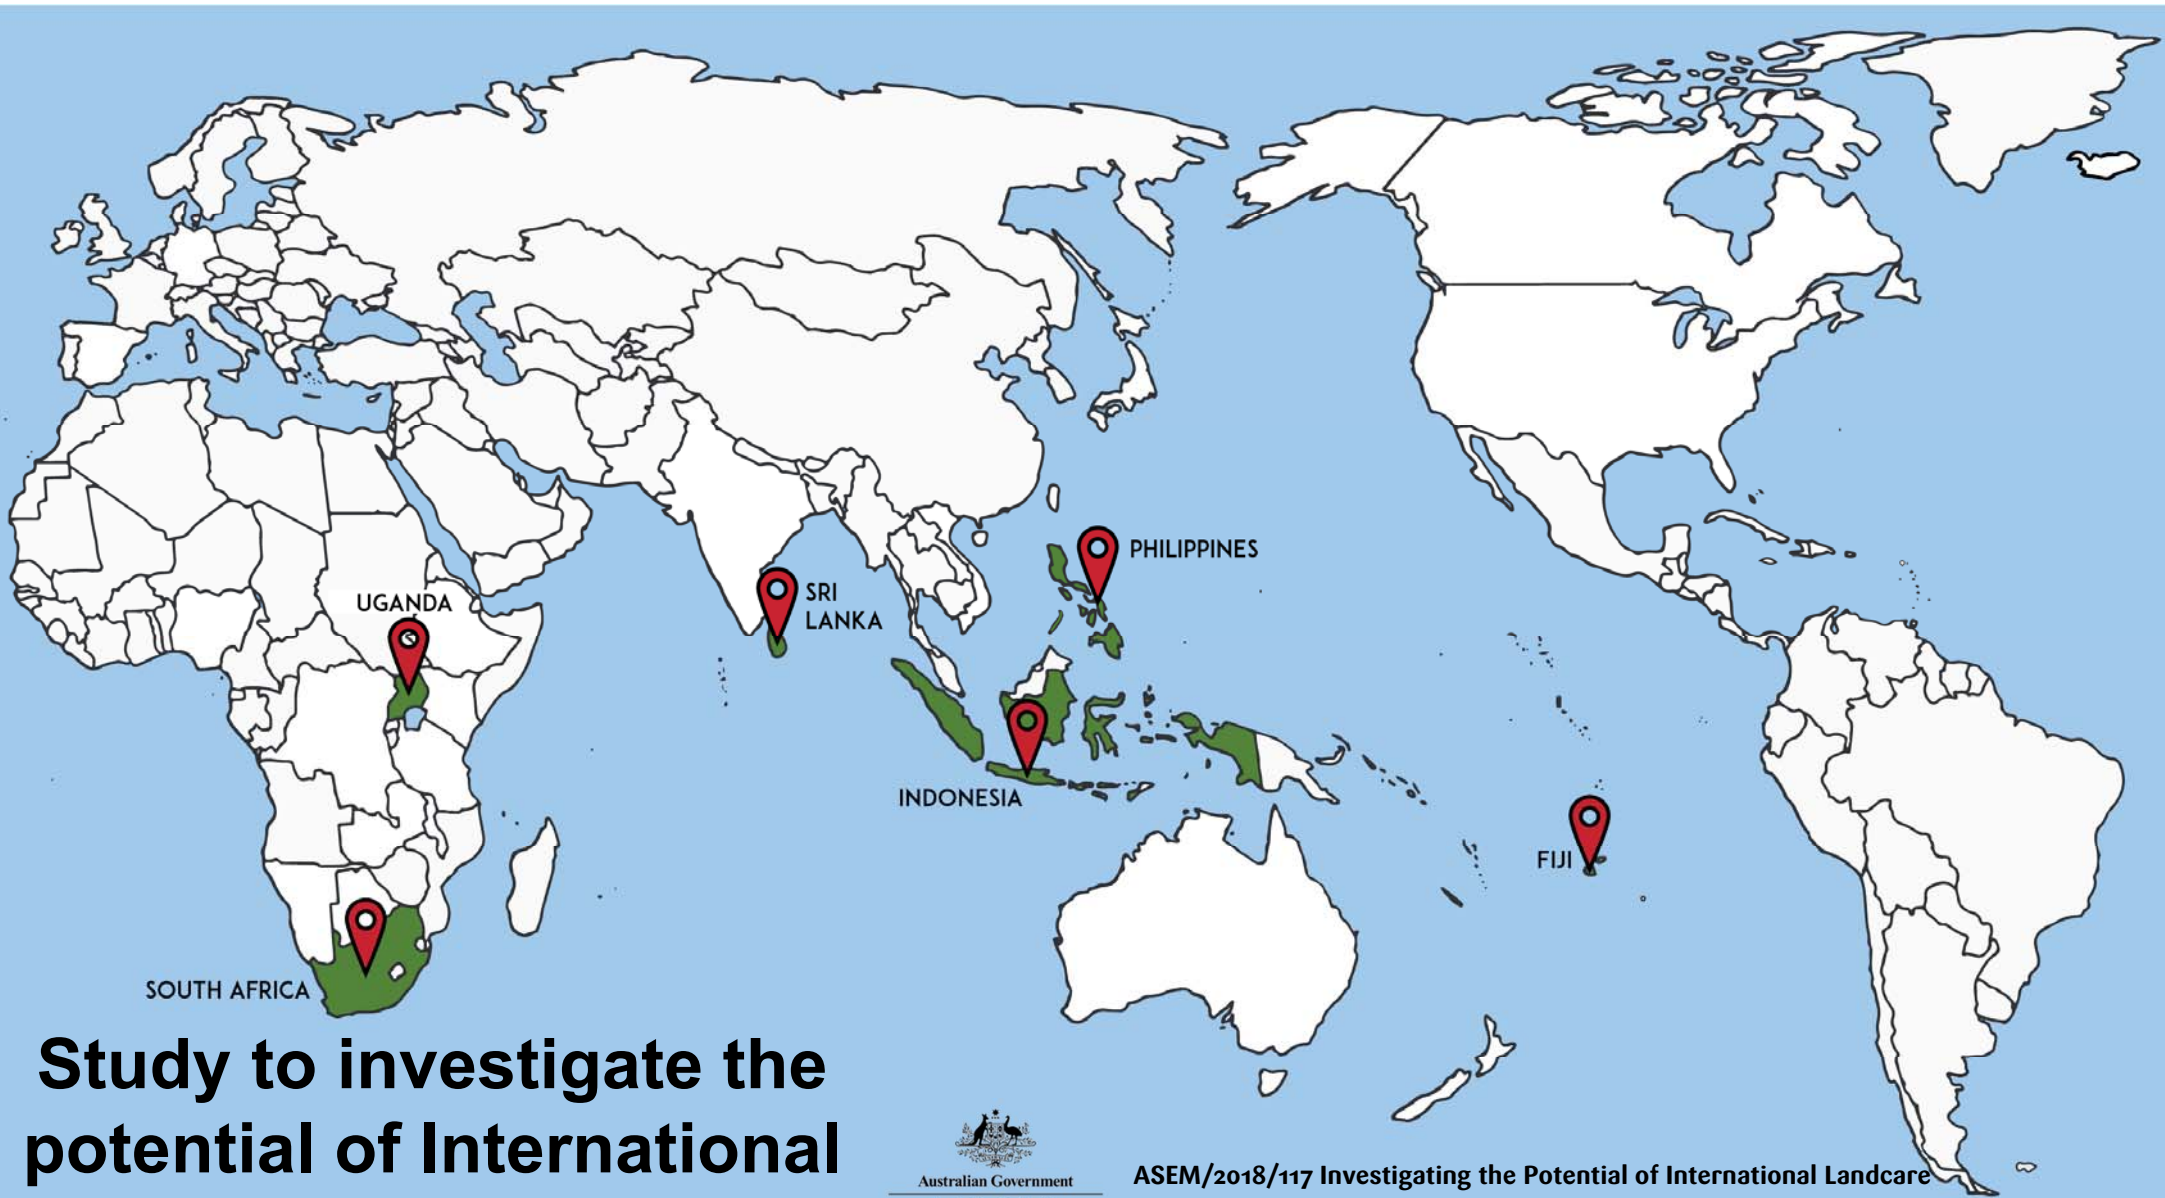

Re-imagine our backyard

Re-imagine our world

Study to investigate the potential of International Landcare

ASEM/2018/117 Investigating the Potential of International Landcare
funded by the Australian Centre for International Agricultural Research

Key Learnings

- Landcare is universally applicable
- Nexus of livelihoods & natural asset protection
- Pre-conditions – the need, want and will
- Common ground aspirations of land managers worldwide

So what?

What we're doing

Global
LANDCARE
