

From little things big things grow

UPPER RIVER TORRENS
LANDCARE GROUP

Presentation by
Kim Thompson and Robin Harding

2021 NATIONAL LANDCARE CONFERENCE

WEDNESDAY 4 – FRIDAY 6 AUGUST, 2021
INTERNATIONAL CONVENTION CENTRE, SYDNEY

Today we bring our presentation to you from the traditional lands of the Peramangk people. We acknowledge them as the Traditional Custodians of this land. We pay our respects to their Elders, (past, present and future). We recognize their historic and ongoing connections to this land and feel privileged to be presenting here today.

We recognize that First Nations sovereignty was never ceded. This continent was and always will be Aboriginal land.

Feel like doing something useful to help our fellow Landcare members?

Start sowing natives

Just sown some 🌱 food and will be getting some additional seed and hopefully a variety of species to share around

Let me know if you want some 🙌

Our hearts are full of gratitude for those fighting the fires ❤️

Our thoughts are with those who've had losses over the past week 🙏

Keep safe x

Highlights & Opportunities

UPPER RIVER TORRENS
LANDCARE GROUP

Our success story..... How did we do it?

- Forming the Alliance
 - Using social media
- Keeping the momentum going
- Keep in touch (but not too often)
 - IMPACT – be real
